

YOU'RE INVITED!!!

World's Largest Ice Cream Social

Thursday September 25, 2008

5:00 - 8:00 pm

You're invited to help Cold Stone Creamery and the Make-A-Wish Foundation® of Colorado celebrate its Seventh Annual World's Largest Ice Cream Social! Visit any participating Cold Stone Creamery® store location throughout Colorado on September 25th to enjoy a free serving of the Make-A-Wish ice cream creation. In exchange for the free ice cream, Cold Stone Creamery will accept donations to benefit the Make-A-Wish Foundation of Colorado.

HOW CAN YOU HELP?

 Visit a store near you from 5-8 pm on September 25th. Tell everyone you know about this fun evening and bring lots of friends.

 You can help as a **VOLUNTEER** by greeting customers as they come into the store and telling them about Make-A-Wish. PLEASE CALL BECKY SCHILLING if you are willing to do this: (303) 750-9474 or at bschilling@colorado.wish.org.

 Buy a Make-A-Wish Star! Buy several!

 If you plan on volunteering or visiting as a Make-A-Wish representative we would love to hear which location you would like to visit.

To find the Cold Stone Creamery location nearest you, visit www.coldstonecreamery.com

This is the 7th year Cold Stone Creameries in Colorado have generously supported this effort. Many thanks to all of the Colorado Cold Stone locations that have raised more than \$65,000 for children facing life-threatening medical conditions.

What else can I do?

In addition to Cold Stone's effort, their parent company Kahala Corp., has also involved their other restaurants. Stop by one of these restaurants for a treat each night of the week to show your support for the Make-A-Wish Foundation of Colorado.
